

INVITATION TO PUBLIC EXHIBITION

You are invited to attend a public exhibition displaying proposals for the installation of a solar farm with a 49.99 MW output for a temporary period of 50 years, including associated infrastructure, permanent grid connection hub and environmental enhancements.

The purpose of the exhibition is to provide interested members of the public an opportunity to review the proposals and the opportunity to ask the development team any questions regarding the scheme. It is also an opportunity to provide written feedback on the proposals.

Thursday 8th February Time: 16:00-19:00

Venue: Helperby Village Hall

Should you be unable to attend the exhibition, you can view the virtual exhibition online and provide comments at the project website.
